

THE MODERNIST

Sophisticated simplicity for refined elegance

INSPIRED BY MODERNISM

Timeless woven effects and tactile textures enhanced by Mid-Century geometric designs

A break from the past and a fresh way of looking at things characterizes The Modernist collection of textural wallcoverings. Embracing the timelessness of this iconic design aesthetic, our designers are inspired by the sleek lines, soft curves and artful abstract shapes of Modernism.

A creative exploration of textile textures

The textural wallcoverings of The Modernist collection celebrate natural textiles and the craft of weaving. From curled bouclé textures and irregular canvas weaves to the casual looks of cool linens and refined Dupioni silks, these tactile woven effects come in a versatile soft hues color palette of creams, soft grays and light wood tones mixed with muted mineral shades. Sophisticated simplicity combined with modern elegance for timeless chic and contemporary interiors.
